

Dearest Hannah and team,

We cant thank you enough for your care of our 'babies' while we were on holidays in Fiji recently. Your overall professionalism put our minds at ease and allowed us to enjoy our holiday without the worry of our dogs care. From our initial meeting you demonstrated an extremely high level of expertise and our dogs absolutely loved having you look after them. I have and will continue to recommend you to friends and family, as I believe there is no pet minding service in Queensland with such high standards and professionalism. We hope to have you come stay with our 'babies' again soon.

Jessica and Alisdair Graham and of course, Oscar and Bogart.
